12/12/2013	<u>45</u>	ORDER denying Plaintiff's <u>43</u> Motion to Seal. Before granting a motion to seal, the local rules require that the court make a particularized finding of fact that the party's privacy interests outweigh the constitutional right of the public to have free access to the courts. The fact that a party designates information as confidential in its papers without explanation does not permit this court to make the sufficient findings. Furthermore, the court has not received the unsealed documents that would permit an <i>in camera</i> review. The motion is denied without prejudice to refile in a manner complying with local rule 5(e) and any other applicable rules. Signed by Judge Vanessa L. Bryant on 12/12/2013. (Burkart, B.) (Entered: 12/12/2013)
12/12/2013	<u>47</u>	Sealed Document: Opposition by Protegrity Corp, re: <u>36</u> MOTION to Dismiss for Lack of Personal Jurisdiction and Improper Venue or, in the Alternative MOTION to Transfer to Another District. (Attachments: # <u>1</u> Exhibit B)(Grady, B.) (Entered: 12/13/2013)
12/13/2013	<u>46</u>	ORDER denying <u>43</u> Consent Motion to Seal. The Court received the documents that were filed as sealed on the docket for the proposed <i>in camera</i> review, but the Court's 45 Order remains unchanged. The documents do not reveal the plaintiff's reasoning for its belief that the redacted material is subject to seal and does not offer, and the Court is not able to fathom, the particularized facts which it is required to find in order to grant such a motion. In particular, the proposed redacted sections of the plaintiff's papers are clearly not the least restrictive means to withhold particularly sensitive information. Should the plaintiff refile this motion, it must make reasoned arguments as to why the information it wants to seal should be sealed and support those

arguments with particularized findings of fact and explain, in particular, why the proposed seal is the least restrictive means for redacting the confidential information.
